FROM THE DIRECTOR'S DESK

Day Light Saving Time Ends This Month! On Sunday, November 4th don't forget to turn your clocks backwards 1 hour! As the weather begins to get colder, please unhook your garden hoses from the outside spigots so they don't freeze. Please store your hose in the utility room for the winter. If you do not unhook your hose, maintenance will unhook it for you and there will be a charge. If you're decorating during this holiday season, please remember to dispose of pumpkins, take down lights and other décor after the holiday has passed. Everything must be in good working condition, there can be no cords running across the lawn or through a window and nothing can be nailed to the building. Please keep this mind throughout Thanksgiving, Christmas and New Year's. A reminder that burning is not allowed in the developments. Mowers will still be mowing every other week to mulch the leaves that have fallen. If you feel you absolutely must rake leaves, please bag them and call in a work order for the Authority to pick them up. We cannot pick up leaves that aren't bagged. Please be sure to read your newsletter for important upcoming information about the Housing Authority.
