## Chocolate Dipped Ghost Pretzels

The easiest dessert for snacking at home or for school treat bags. Simply microwave white candy melts and 1 tsp. coconut oil in 20-second increments, stirring until melted and smooth. Then, dip ends of pretzel rods two-thirds of the way into the candy melts, shaking off excess, and place on parchment paper-lined baking sheet. Let set until firm. Use black edible marker to create your ghost faces.

## FROM THE DIRECTOR'S DESK

There were several sloppy trash corrals last month. The proper way to dispose of trash is to place it in a plastic trash bag, then in the trash can and make sure the can's lid is secured. Only items that fit inside the trash bag should be disposed of in the trash coral. Do not leave mattresses, furniture, TV's or other large items there as the trash men will not pick those up.

A Fire Prevention Program will be held at the Office on Wednesday, October 12 at 3:30 PM. It is open to everyone of any age. There will be food and give aways for the kids.

**Monday, October 10, 2022 the office is closed for Columbus Day!**

Have a safe Halloween!
