FROM THE DIRECTOR'S DESK

Summer is here!

If you're your kids are outside playing: always keep an eye on your children. If you see they have drawn graffiti on the side of your house/unit, please remove it. Also, if your kids are riding bicycles please remind them to be mindful of parked or moving vehicles.

If you are thinking about getting a pet, you first have to call our office for a pet application. The application needs to be completed and then you will have to make an appointment with our office before you can keep the pet in your unit. Please give us at least a weeks' notice before getting a pet so we have time to schedule you an appointment. At that time you need to bring your application and the pet in for us to approve your pet.

The free lunch program – The Lunch Bunch – continues weekdays at the Rec Hall in Carlinville. It's open to everyone, all ages, not just people who live in public housing. The Lunch Bunch is a joint effort of the Housing Authority, The Federated Church and other area churches and Carlinville Area Hospital.

The office will be closed Tuesday, July 4th, 2023, to observe Independence Day.

Stay Safe and Healthy!

INSPECTIONS

When grilling, make sure you move your grill at least 10 feet away from the building and do not grill next to the building as it can cause damage. One propane tank is allowed per gas grill. Grills must be in good working order and the propane tank properly connected to the grill.

It is your responsibility to change out your furnace filter on a monthly basis. If you cannot, you provide the furnace filter, call the office and our maintenance staff will do it for you at no cost. Your furnace filter is designed to improve the quality of air you breathe, and also protects your HVAC system from build-up of dirt and debris. Not changing out your furnace filter can cause problems and damages to your HVAC system which you could be responsible for.
