FROM THE DIRECTOR'S DESK

Summer officially begins this month. Warmer weather means more time spent outdoors. Please remember the following:

- Swimming and wading pools are **NOT** allowed in the developments.
- Keep your yard picked up for the mowers.
- Clean up after yourself when outside: toys, trash, clothing, and food.
- When riding their bikes and scooters, keep kids off the sidewalks and ramps of their elderly neighbors.

Thank you to all our residents for preparing for our recent HUD NSPIRE inspection! We appreciate all your hard work in abiding by the Housekeeping Policy and having your unit ready for inspection!

The office will be closed on Thursday, June 19th, 2025  
to observe Juneteenth.

Enjoy your Summer ~  
Dionne, CEO

## SUMMER WARNINGS

With Warmer days, comes more time outdoors. Here are some things to remember:

Heat stress occurs with the body cannot dispose of excess heat. It will store it. When this happens, the body's core temperature rises and the heart rate increases. As the body continues to store heat, the individual begins to lose concentration and has difficulty focusing on a task, may become irritable or sick and often loses the desire to drink. The next stage is most often fainting, and death is possible if the person is not removed from the heat stress. On hot days, take extra breaks and find a cool, shady place to rest. Schedule heavy work during the cooler parts of the day, such as early morning or in the evening.

Per the Pet Policy and the Service Animal Policy → Pee pads are NOT allowed to be used for any reason!

## FSS Spotlight

This program is designed to help you reach your goals, whether that be going back to school, or owning a home. All you need to do is fill out the paperwork and work on your goals. We will keep in touch with you via mail, email, or phone, and if you are needing to meet with us, we can arrange that as well. The best part of the program is the escrow account. As your rent goes up because of **earned income** we put a portion into a escrow account for you. In order to receive that money, you must complete the following: *be working, be off cash assistance (TANF, not LINK), and meet your main goal.*

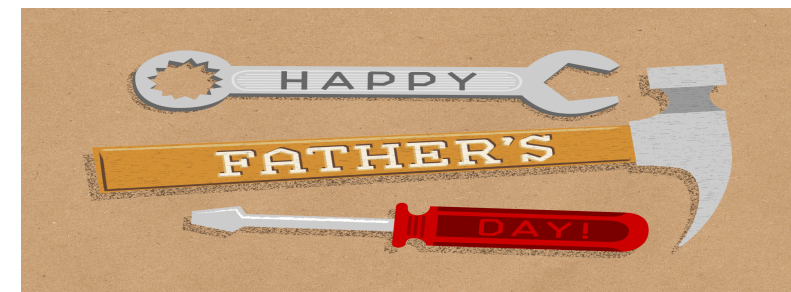

If anyone would like help meeting their goals, please contact Jackie Beasley, FSS Coordinator.

**Email: [jackie@teamhousingcenter.com](mailto:jackie@teamhousingcenter.com) Phone #: (217) 854-8606**

Do not flush "flushable" wipes down the toilet.

Even though they state they are "flushable" they are **NOT!** They cause blockages and serious damage which you will be charged for if found.

Father's Day is Sunday,  
June 15th, 2025

## DIRTY DOORS

While conducting NSPIRE Inspections this past month, it was noted that quite a few main doors, both front and back, are very dirty and have now gotten a mildew substance growing on them due to the dirt build-up. Cleaning the doors, both inside and out, are the responsibility of the tenant. This can be easily done with a mixture of cleaning solutions like bleach and water, vinegar, or commercial mildew removers which can all be effective. Begin by scrubbing the mildew with a brush, then rinse thoroughly with clean water.
